

INTRO TO PHOTOSHOP FLAGSTAFF HIGH SCHOOL

Hello, my name is Mrs. Quick and welcome to the CCR rotational class - Intro to Photoshop! I'm excited to be starting my 8th year as a teacher and look forward to working with this year's freshman!

I consider myself to be a woman of many trades. Currently, I operate a graphic design business that includes sign painting, murals and graphic work. I am also a working painter and often have pieces up for display at various sites around town.

Feel free to check out my work at the sites below.

OBJECTIVES

To help students gain technological skills through the use of computers and Adobe Photoshop to prepare them for the creative demands and changes of the future.

COURSE TOPICS

Adobe Photoshop | Terminology | Short-cut keys
Windows OS | Tools | Panels | Typography | Fonts
Layers | Layer Masks | Adjustment Layers
Blending Modes | Filters | Wacom Drawing Tablets
... and much more!

ACADEMIC INTEGRITY

Integrity of scholarship is essential for an academic community. Flagstaff High School expects that students will honor this principle and in so doing protect the validity of Flagstaff High Schools intellectual work. For students, this means that all academic work will be done by the individual to whom it is assigned, without unauthorized aid of any kind.

EVALUATION

This course is a pass/fail class. Grading will be evaluated based on the following:

- Design Projects
- Class Participation

Attendance will be taken everyday. Late work will not be accepted, except for in extreme circumstances.

SOCIAL MEDIA

We have Facebook, Instagram and a blog pages that we will be running in class featuring artwork and graphics from our students throughout the year. Please take a moment to follow/like our pages to support our program and follow what we are creating in class!
